Commissioner for Patents

The reply filed on October 26, 2005 is not fully responsive to the prior Office Action because: 1. The amendments to the specification, and at least to claims 1, 10, 11, 26 and 31, do not comply with 37 CFR 1.121 as the amendment filed August 16, 2005 is not reflected therein. 2. Claim 1 was previously held unreadable on the elected embodiment for the particular reasons advanced but applicant failed to substantively address claim 1. 3. The language of claim 26 was not addressed. Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
